In response to applicant's pre-amendment dated Dec. 22, 2003. The following action is taken:

Claims 1-8 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior art shows or teaches an optical disk reading device having an optical element supporting member , the device comprising: a light source, an objective lens 8 for focusing the light beam into a disk, an optical element 15 a support member for supporting the optical element (moving mechanism for element 15) in order to move the optical element in one direction and as a result the position of the light beam focused on the disk is moved in the focusing direction and the light beam is also moved in a parallel direction of the track.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication should be directed to NABIL Z HINDI at telephone number (703) 308-1555.
